Capital Levy

The compulsory **Capital Levy is \$520 for each family**. This levy assists the College in funding capital expenditures such as purchasing of furniture, equipment and air conditioners for classrooms, and maintenance of facilities. As a compulsory levy, tax deductibility is NOT available. However, we still maintain a tax-deductible School Building Fund, which is available for those families who wish to make additional contributions for tax purposes. In addition, this contribution will assist the College to provide a better environment for their children and subsequent generations.

Community Levy

The Community Levy replaces the previous P&FA Levy. Funds raised with this levy support community events and initiatives during the school year (eg Welcome BBQ, Class Carer Program) as well as providing funds for major student focussed capital projects. In previous years these projects have included the redevelopment of the Lighthouse, upgrade to the Koala Gums Play Area (Junior Campus) and the Fitness Equipment (Secondary Campus).

Concessions

Fee concessions are available on a means tested basis for instances of short term genuine financial hardship. Parents can apply for these concessions through the Business Office. In times of financial difficulties parents should contact the College Business Office to develop a solution for their situation.

Payment of Fees

Enrolment at Faith is an ongoing yearly basis until completion of Year 12 (subject to withdrawal as per 'Notice of Withdrawal' below) and annual fees are payable. In each year, continued enrolment is subject to the Annual Fee Schedule (and conditions therein) applicable to that year.
