

WELCOME TO THE INSTRUMENTAL Music Program

THE ARTS' KEY LEARNING AREA

The Arts' Key Learning Area gives students a wide diversity of learning opportunities across the College. The Instrumental Music Program complements the Arts' KLA and extends the musical skills of students who wish to pursue music beyond the classroom.

Instrumental tuition is offered during school time by professional tutors who are highly skilled in their specialist areas. Tuition fees apply.

PERFORMANCES (Solo and Ensemble)

Performance is an integral part of learning a musical instrument, we seek to provide as many performance opportunities as possible. Faith Ensembles and Choirs compete throughout the year in competitions and Eisteddfods.

All instrumental music students are encouraged to perform solo or in an ensemble. We have several major College events where our students perform, as well as other College and Community events that occur throughout the year that provide further performance opportunities.

MUSICAL - Junior School

This bi-annual event has seen students and staff produce the Junior version of the great Gilbert and Sullivan Musical 'Pirates of Penzance' in 2012 and Disney's 'Aladdin' in 2014. This provides a great opportunity for students in Year 4 - 6 to develop stage craft skills.

MUSICAL - Middle/Senior School

The Musical tradition continues to grow at Middle and Senior School from productions of 'Bugsy Malone' 2011 to 'Godspell' in 2013. This year the staff and students are working hard to create and develop a strong cast of actors, singers, dancers and musicians to present 'Henry'.

FAME - Faith Arts and Music Evening

Since 2009, the Music Department has combined with Drama and Art Departments to produce an annual evening of high quality performances and displays for the College Community. As our ensembles continue to develop in musical maturity and skill, this evening will continue to be a highlight of the College year.

FUNFEST - Junior, Middle and Senior School

Held annually, Funfest is well-known throughout the district as a time for our College to invite the public in for a day of fun. The Music Department provides a full day of musical entertainment on the Prep Courtyard Stage, with Choirs, Bands, Ensembles, solo instrumental and solo vocalists performing. Junior School year levels prepare performances for the Main Stage.
