FAITH LIVE AND SILENT AUCTIONS

See what an amazing range of products are on offer, with lots of items for the entire family.

Live Auction - closes at 12:45pm

Each item, or Lot, will have an individual bid sheet laid out with all Lot details. These will be located in the Science Classroom near the stage. During the morning you may want to return to the bid sheets to see how your bid is going, giving you the opportunity to raise your pre-bid if you have been outbid. Pre-bidding will finish at 12:45pm.

At the live auction (starting at 1:15pm on the Prep Stage), our Auctioneers have a starting price to work with (the highest pre-bid for the Lot). The auction starts at this price and continues as with a standard auction, until a sale is reached. All items have a reserve price, and if this reserve price is not met during the auction, the item may be passed in. If you set your pre-bid high enough, the item may have no further live bids come auction time, and if you are the highest pre-bidder, you win the sale. Auction helpers will be there to help you through any problems you may have.

Silent Auction - closes at 3:45pm - Sharp

(The Silent Auction room will be closed between 12:45pm and 3:00pm while Live Auction is on.) As we have an enormous amount of Auction items this year, a section of Lots will be Silent Auction only. This is well marked in the Music and Year 1 Classrooms. All items have a reserve price, and if this reserve price is not met during the auction, the item may not be sold. The Lot will go to the highest bidder (if the reserve price is met). Auction helpers will be there to help you through any problems you may have.

Remember... this is a regular auction, all sales are final. Please take care when making a bid as once your bid is placed, it cannot be withdrawn. If you are the Winning Bidder in our auction, you are obliged to pay the winning bid amount. Full payment must be made to us either by Credit Card or Cash. Goods will not be released until payment is received.

You must be over 18 years of age to make a bid.
