

FUNFEST 2016

Saturday, 21 May
Faith Lutheran College, Redlands
Link Road, Victoria Point

What an amazing event Funfest 2016 has been! It was a day of beautiful weather, fun to be had and a community coming together to support our amazing College.

There was a massive turn out for Funfest 2016 with many comments made from families, staff and the public on what a success Funfest was this year. There were new attractions, stalls and food, all of which were a massive hit.

Funfest does not happen without its volunteers. I would like to personally thank every person and business involved in helping bring Funfest together. Your contribution to the day is greatly appreciated! Also I would like to thank the team who came on Sunday for clean up duty. The College was looking fantastic within a few short hours.

In the coming weeks the P & FA will meet to reflect on the day and the proceeds taken. Whilst the financial contribution of the event supports our College, the community spirit generated from such an event is unmistakable.

Thank you again for all your efforts.
