

Faith Lutheran College, Redlands

Faith in Christ ... prepared for life.

Mission Statement

Faith Lutheran College is committed to providing quality learning opportunities while nurturing development of all students in a Christ-centred community.

ENROLMENT POLICY

All applications are treated on the same basis with places first being offered to Lutherans, existing student's siblings, Faith Alumni and then in chronological order of receipt of application.

In determining an offer of enrolment the capacity to resource identified additional learning support is also considered. Where a student has been identified as having additional needs, an initial enrolment interview with parents may be requested and an assessment of the student's needs may be undertaken by the College or an independent body.

Failure to disclose accurate information may invalidate this application. Completion of this form does not guarantee a place at the College.

A separate application must be completed for each student.

At all times the Principal has discretion in applying the Enrolment Policy.
