

**YEAR 12 VALEDICTORY WORSHIP
INCLUDING GRADUATION AND AWARDS**

FAITH ACHIEVES

Farewell Mr Mueller and Thank you

Whether it was encouraging staff and students in their own personal service projects, leading Worship, congratulating the first Dux, waving off Year 9 students heading to Mt Binga, guiding students to reach academic success or on the side-lines of a sports match or music/drama performance, Mr Mueller has again and again shown that he supports both students and staff. Faith has been blessed to have had 15 years of his guidance.

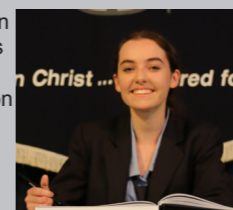

Under Anthony's guidance the facilities at Faith have grown:

- Beveridge Road – General Learning Areas, Hospitality Centre, Science Building, Staff facilities, Student amenities, The Lighthouse, moving Big Shed from Link Road – renamed Hayshed 2, Year 7 rooms, Centre for the Creative Arts (now the Athly Mueller Centre - AMC) and established links between AFL, Strictly Dance and the College.
- Link Road - Year 5/6 building, establishment of Faith Kindy, The Big Shed, I Block and building the SPAH.

Anthony's achievement at Faith: As the development of Beveridge Road campus started, the College parents said one of the things that must be maintained across both campuses was the community spirit and atmosphere of Faith. Through his 15 years, Anthony has worked with staff, parents and students to maintain Faith as a vibrant community and even enhanced its reputation for faith, care and service in the Redland community. He placed a high value on relationships and community in a faith-filled environment. God bless you on your journey.

Anthony Mueller 2016: "While it is difficult to leave something that has been part of you for 15 years, it is really pleasing that there are so many positive things planned for Faith for the future."

The Faith Lutheran College, Redlands Parents and Friends Association are proud to provide the Faith 2016 Dux a \$600 Bursary towards the furthering of their education.

Prep to Year 12 Tribute to Mr Anthony Mueller, Principal

Year 12 students In Christ Alone

**CONGRATULATIONS TO OUR
YEAR 12 GRADUATING STUDENTS**

It was a special time when we said farewell to our Year 12 cohort of 2016. They have been a group of students who have made a positive lasting impression. Year 12 students invariably wish to leave a legacy, these students have. Their heart for the community and for service in particular will be long remembered.

CONGRATULATIONS TO GRADUATING PREP CLASSES

Our Faith Prep classes once again entertained and captivated parents, grandparents and friends as they performed an amazing Christmas musical. Their acting, movement and singing talent shone. Many Gavin Buhse Medallists have said how much they enjoyed looking back on this time in their school lives.

The Prep Graduation ceremony followed with each student coming forward to accept their graduation certificate.

JUNIOR SCHOOL LEADERS 2017

Michael Adom Harriett Knijff Nikita Van Heerden Zane Colefax
Gavin Buhse Medallions - Prep to Year 12

These Medallions are awarded to students who have attended Faith continuously from Prep to Year 12 (2004 - 2016)

Kyle Alderman, Mackenzie Barnes, Noah Blomfield, Joshua Dahler, Andrew Dart, Mason Hardman, Jackson Krasinski, Gabrielle Longmire, Andrew Manthey, Erin Mobley-Guazzo, Ashleigh Mullin, Declan Murphy, Ayden Schulz, Benjamin Sellers, Logan Spiers, Calum Tucker, Abbey Turnbull, Matthew Umson, Gavin Underhill, Bailey Wildman, Shani Winn

College Captains 2017

CAPTAINS
Michael Malouf and Claudia Ould
VICE-CAPTAINS
Daniel Wessling and Georgia Bird.

CONGRATULATIONS YEAR 6 STUDENTS

FLCR SPORTS AWARDS EVENING

Faith held its second Sports Awards Evening for the Middle and Senior School in October.

The evening was established to celebrate the achievements of our TAS (GBC) premierships teams. It also recognises the outstanding contribution some of our Year 12 students have made to the TAS Sports program and to recognise individuals in each TAS (GBC) Sport as well as Swimming, Cross Country and Athletics. The evening was attended by special guests; Brisbane Lions, Ryan Lester and Dayne Zorko.

It was fantastic to see the turn out from our Faith community.

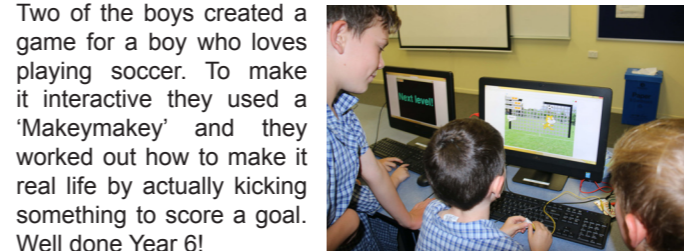

Year 6 students create computer games for Year 1 students

The Year 6 students have been learning to use script to create games using Scratch. They have created a number of games and are now on their final project to finish the year. Their task is to create a game to suit someone else's interests.

The Year 6 students met with Year 1 classes and interviewed a child each. They found out things like their favourite colours, hobbies etc. They then had to create a game that would reflect that person's interests.

Two of the boys created a game for a boy who loves playing soccer. To make it interactive they used a 'Makeymakey' and they worked out how to make it real life by actually kicking something to score a goal. Well done Year 6!

National Championships

Brooke Dunford won the Australian National Championships for karate after winning the State titles in September. Brooke has now qualified to compete in the World Championships next year. Harriet and Victoria Knijff together with the Redlands Martial Arts Academy team mate Oliver Lowry represented Qld at the 2016 National All Styles National Championships. Harriet won two Australian titles and a 2nd place, Victoria won an Australian title and Oliver picked up a 2nd and 3rd. Congratulations!

High-Performance Computing

HPC@FLC has gone from strength to strength in 2016. The program was established last year to cater for students who have a deeper interest in computer technology and computer science. Faith students attended and presented at the SC (supercomputing) series of conferences in the United States.

700 Mementos for 2018 Gold Coast Commonwealth Games

It is not often that a Year 11 'Furnishing Skills' class has the opportunity to engage in the mass production of 700 mementos for the 2018 Gold Coast, Commonwealth Games but that is exactly what our students worked on for six weeks. Lessons involved the quality control of cutting, sanding and laser engraving the mementos so that they could be presented to the dignitaries at the official opening of the Anna Meares Velodrome at Chandler. Part of the production process was a promotional video that involved our students observing film and television procedures and undertaking acting and voice lessons. Two hours of filming with lights and cameras was also an unexpected bonus to their normal workshop routines.

At the official opening, it was clear that our students had developed a great sense of pride in their product as they handed the mementos to the official party made up of The Honourable Annastacia Palaszczuk MP Premier of Queensland and Minister for the Arts; The Honourable Stirling Hinchliffe MP Minister for Transport and the Commonwealth Games; and many others in attendance.

The experience that the Furnishing Skills class received was a 'once in a lifetime opportunity'. Their involvement in a real world manufacturing project and receiving an invite from the Premier to the official opening of a truly remarkable cycling facility to be used at the 2018 Commonwealth Games, is one that will be talked about for some time.

Mount Binga Program

The Mount Binga program is designed to enable personal and spiritual growth. By experiencing a lifestyle reliant on community effort, individual strengths and gifts are brought to the forefront, allowing each person to build confidence and self-esteem over the space of four weeks. Such an opportunity also enables the development of new life skills.

Academic Success

Congratulations to Noah Blomfield and Lochlan Rylance for their academic efforts and achievements.

Griffith University Business Program

Congratulations on securing guaranteed entry to Business courses of study due to achieving High Distinctions in university studies in Business throughout this year whilst at Faith.

Andrew Manthey – Bachelor of Business
Ethan Wernowski – Bachelor of Business/Bachelor of Commerce

STRENGTH Program

Term 4 marked the beginning of the 'Strength' program running for Year 7 and 8 boys. The boys program is about equipping adolescent men with the knowledge and skills to discover who they are and the person they want to become. It encourages adolescent men to find the strength and courage within them to make healthy choices and live to their full potential. This program aims to build confidence, self-awareness and courage.

FAME

Faith students were amazing at FAME 2016. The food baked by students was delicious. The Art work was outstanding. Instrumental, voice and dance performances had the audience tapping their toes and applauding loudly. A fantastic night!

Student	First in Subject
