## **P&FA and Foundation Student Achievement Grants**

Faith Lutheran College, Redlands P&FA and Foundation will award students of FLC,R grants to help defray expenses incurred in representing the College in Queensland State and National teams under the following conditions:

- 1) The FLC,R student is participating in school based sport competition and will be an individual or part of a College team;
  - a) selected to represent the State in a National Competition
  - b) selected in a National team representing Australia at an international level;  
providing the sport is:
    1. officially recognised as a Bayside District School Sports Association sport, a TAS Sport, or is officially recognised by School Sport Australia <http://www.schoolsport.edu.au/> , and,
    2. where the team or individuals are winners of that State competition to earn the right to participate in a national competition, and is,
    - 3 officially sanctioned by the College Principal as FLC,R representative with State or National representative status.
- 2) The FLC,R student is representing the College in academic, cultural and performing arts activities where:
  - a) the student is representing the College in a Queensland State team at a national competition, or,
  - b) the student is representing the College in an Australian team at an international competition,  
providing the activity is:
    1. a mainstream, recognised and accredited competition where the team or individuals are winners of that State competition to earn the right to participate in a National/ International Competition, and is,
    2. officially sanctioned by the College Principal as FLC,R representative with State or National representative status.

The type of activities include but is not limited to, instrumental and choral music, debating, public speaking, academic competitions such as English, LOTE, Maths, Science, or Computing competitions, and extension and enrichment activities such as 'Optiminds' and 'Robotics'.

The level of grants set from 1/1/2014 is \$300 for students at a national competition and \$300 for students at an international competition. Students may access one grant per competition per school (calendar) year. The level of grant will be reviewed from time to time by the FLC,R P&FA Executive.

The College Foundation will match the P&FA grants to students under the same conditions.

December 2013

*Policy is located on the Faith Lutheran College Redlands website and on WebLocker.*
