

Remembering

This week we commemorated Remembrance Day. At the 11th hour of the 11th day of the 11th month in 1918 the armistice was signed between the Allies of WW1 and Germany for the cessation of hostilities. Last week we held respectful Remembrance Services at both Junior and Secondary schools led by Mr Tagney and our Junior School students.

This week we are also very much bound up in the final preparations for the last week of school ever for our Year 12 students. There is lots to remember. As parents and staff at this time we cast our minds back to their first days of school, to their transitions to High School, to experiences such as Mt Binga and many other extra-curricular events. It was before my time but these students have grown through a lot of changes here at Faith, the memories are many and varied I am sure.

As this newsletter goes out our Year 12's will be at home making the final preparations for their last days at Faith, their Valedictory night and their last moments as High School students. They are not our first graduates though, at this time we also remember the groups of kids who have gone on before, we cast our minds back to the personalities, the events, the fun, the work, the great things that have been achieved by working together, families and school.

In the Book of Proverbs the Bible says, Train up a child in the way that he should go and when he is old he will not depart from it. St Francis Xavier is quoted as saying, Give me the child until he is 7 and I will give you the man. There is something important about remembering in these wise words. What we expect, how we train, the tone we set and the values we impart to our children when they are young has a huge impact on the people that they become. Each of us remembers our upbringing, the good and bad that we have experienced along life's path. It is those experiences and values that we draw upon, with divine help perhaps, to guide us as we move forward into the life that lays before us.

As you read through this newsletter you will notice that there are many exciting events coming up in the next few weeks. We will gather a number of times and remember the year we have had and celebrate the achievements of our hard working students and staff. And as we remember it is nice to know that we are led and loved by The One who never forgets us.

VIRGINIA STATE SCHOOL BAND TOUR - Wow! Great! Awesome!

Wonderful! Fantastic! So many descriptions came to mind as we watched a concert presented by Virginia State School Concert Band last Monday. This school band has been touring for 19 years, has over 100 members, including a number of parents and staff members! We saw and heard a wide range of instruments during the performance, played by students who are committed to attending weekly lessons and weekly band rehearsals. This concert was an inspiration. **Join the FLCR Concert Band Program** - Our Junior School students also have the opportunity to learn Concert Band Instruments from Year Four. At FLCR we have Brass and Woodwind instruments we can loan to students so that they can become part of the Concert Band: Flutes, Clarinets, Saxophones, Trumpets, Trombones, Baritone, Tuba ...

2018 Instrumental Music Enrolment forms will be available soon from the website and college offices if your child is interested in learning an instrument. Preference is given to students entering Year Four in 2018. Older students will also be considered. All enquiries should be directed to jacinta.altmann@flcr.qld.edu.au

DAN WARLOW PERFORMANCE – Last Thursday, Dan Warlow, Christian Children's Artist joined us to lead our Worship service. He was a wonderful singer who shared a Christian message with our children, inspiring and encouraging them! A great role model! For those children who wanted to watch some of Dan's film clips and listen to his music at home they can find them on Dan's website www.danwarlow.com where you can also download both of his music albums. Dan has also left 10 signed copies of his CD's in the Junior School Office available for purchase.

END OF YEAR CLASS CELEBRATIONS – Our Year 1 - 6 Break Up Party Day is being held on Wednesday, 29 November. Class teachers will share specific information with their classes as it comes to hand.
