

Faith Lutheran College, Redlands

Faith in Christ...prepared for life

30 January 2017

Good Afternoon Parents,

As the Middle and Senior School prepares for a very busy term of sport, we are asking families to consider their child's options with Swimming. As our College is part of the Bayside District, our students have the opportunity to participate in the District trials in the hope of moving to Regionals, State or National representation. The Bayside District Swimming Carnival will continue with combining the Primary and Secondary Schools into one carnival this year. This carnival will host 10-19year olds on 16 February 2017.

Students wanting to represent the College from the Middle and Senior Campus at the Districts in the 50m events and 100m Freestyle will be selected from the results of the Middle and Senior School Inter-House Carnival. Only the top two students will be selected from the Inter-house Carnival to participate at the District. These students will have their PB times entered for Districts. For all other long distance events not contested at Districts, families will need to submit a paper nomination.

Paper nominations are due by Monday 6, February 2017 to Peta Barnes for processing. We have attached all relevant paperwork required for the nomination process to be completed by families.

It is also a prerequisite that parents supply a copy of the times achieved from a sanctioned Swimming Queensland event. This information can be obtained from the Queensland Swimming website. Therefore, times supplied cannot be done from a club night unless deemed a sanctioned Swimming Meet. This is a District requirement and you will need to do a print screen of the relevant times (as shown below). Club print outs just stating the meet will not suffice.

Another District ruling is that times provided must have been from a meet in the last 12 months. Without this document from the official swim site and within the 12-month timeframe, your child's application will be returned to them and it will not be processed.

Please feel free to contact Ben Davies ben.davies@flcr.qld.edu.au or myself peta.barnes@flcr.qld.edu.au if you have any other enquiries.

Regards
