Instrumental Music Enrolment Contract 2022

The Instrumental Music Program offers specialised instrumental and vocal tuition for students to become musicians through the development of musical literacy, technique and performance. Participation in ensembles and choirs is an essential component of our program.

COMMITMENT

Students are expected to commit to the program for the entire year and ALL students must participate in an ensemble.

PROGRAM COMPONENTS

The Instrumental Music Program incorporates experienced private instructors of Strings, Brass, Woodwind, Percussion, Guitar, Piano and Vocals who can take students through exams or simply provide the necessary skills to enjoy playing.

Lessons

Individual and Group lessons are the avenue through which music literacy, techniques and performance skills, specific to the instrument and level of the student, are explicitly taught. Lesson groupings are like-instrument and/or like-ability levels.

Ensembles

Ensembles provide the opportunity to demonstrate learning on their instrument in real-life contexts.

Home Practice

It is expected that students will complete regular home practice to make musical progress on their instrument.
