Privacy Policy

Scope

The policy applies to board members, employers, employees, volunteers, parents/guardians and students, contractors, and people visiting the school site.

Policy Statement

Faith Lutheran College Redlands recognises that the safety and wellbeing of people is of the highest importance. Consistent with this belief, the college is committed to managing personal information provided or collected by the College with the utmost of care and in ways consistent with the Australian Privacy Principles contained in the Commonwealth Privacy Act.

Definitions

Key word / Abbreviation	Definition
Privacy	The breadth of formal learning that is delivered to each student across multiple learning disciplines. It is the 'what' we teach.
Personal Information	The practice of teaching based on the neuroscience of child and adolescent brain development. It is the 'how' we deliver the curriculum.
